TECH CENTER 1600/2900

1. This is a statement in support of an amendment and petition to correct inventorship, submitted concurrently herewith, under 37 CFR §1.48(a).
2. I, Stanley N. Lapidus, was included in the inventive entity designated in the executed Declaration under 37 CFR §1.63 submitted in this application on July 11, 2000.
3. I was included in the inventive entity through an error which occurred without deceptive intent on my part.
4. All statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true. Further, all statements made herein are made with the knowledge that willful concealment of material facts, willful false statements, and the like, made by me are punishable by fine or imprisonment or both under 18 U.S.C. 1001, and that such willful concealment and/or false statements may jeopardize the validity of the application, or the validity or enforceability of any patent issuing thereon.

5. To the best of my knowledge, information and belief, formed after an inquiry reasonable under the circumstances, this paper is not being presented for any improper purpose, such as harassment or delay. Further, the contentions made herein are warranted by law and are supported by facts available for consideration as evidence.
